**FEECO Showcases Models at International Powder Show**

*FEECO will be exhibiting at the Powder & Bulk Solids tradeshow in Rosemont, IL May 6-8*

**/24-7PressRelease/** - GREEN BAY, WI, May 04, 2008 - FEECO International, a world leading manufacturer of thermal processing, agglomeration and material handling equipment is proud to be a part of the 2008 International Powder & Bulk Solids Tradeshow May 6-8, 2008 at the Donald E. Stephens Convention Center.

The International Powder & Bulk Solids Tradeshow is the world's leading event for processing engineers, production engineers, plant managers, and operations managers who process, handle, package, transport, test and store dry particulates and bulk solids from the following industries: abrasives, cement, chemical, fly ash, food, grain, mining, petroleum, pharmaceutical fabricated / primary metals, plastics, pulp paper, rubber, stone, clay, glass and so much more.

FEECO will showcase mini models their Rotary Dryer, Disc Pelletizer, Pin Mixer and Micro Compactor at their booth (#1600) along with technical personnel to discuss potential applications.

Stop by and meet them in person and see for yourself how FEECO International Inc. can assist you with your design, processes, equipment or production needs.

**About FEECO International:**

At FEECO, we specialize in turning problems into opportunities. Our mission is: "To provide innovative solutions that meet our customer needs by supplying high quality products and services at a competitive price."
