Ebay Quick Accountant: Up for Sale

After about 6 months of heavy online activity by the company laptopcentralmi with its new piece of software Quick Accountant, the website and software goes up for sale on eBay.

/24-7PressRelease/ - DAVISON, MI, May 08, 2008 - The past 6 months for the company Laptopcentralmi have seemed like a whirlwind. They went from a small company with not much to look at to a hot new company with a great new product on the market after all that being said why the sale of their best product and website? That's exactly what was asked of owner Tyson Moore and he had this to say "Life has taken some unexpected turns for me in the past few months because of which I am no longer able to run this site." Moore also had this to say "I'm excited for someone else to have the opportunity to take over my business and take it to new levels and have fun with it. Along with the website and software Moore says the auction will include a month of tech support for the new owner, and the domain www.ebayquickaccountant.info. The auction goes up for sale starting 5/5/08 ending 5/11/08 at:
