**Pre-printed Bordered Paper Company Switches Locations**

*PaperWithBorders.com now offers myriad paper products from their new location in Wisconsin.*

/24-7PressRelease/ - HUDSON, WI, May 08, 2008 - One of the Internet's biggest providers of preprinted themed border paper packed up and moved, switching their base of operations from Stillwater, Minn., to Hudson, Wisc.

The move by [PaperWithborders.com](http://www.PaperWithborders.com) comes partly from a need for more space, and partly from the desire to stop paying rent and return to the days of owning their building.

"It's been a long time since we owned our own space," says Marketing Director Jeff Corbo. "Now that we're back in that position, it's hard to believe we rented as long as we did."

[PaperWithBorders.com](http://www.PaperWithBorders.com) sells preprinted, themed paper products for all occasions, including weddings, anniversaries, Christmas and Hanukkah, graduation, birthdays, Mother's and Father's Day, and more. Their products include stationary, envelopes, invitations, labels, post cards, greeting cards, and much more. To get a more detailed look at their product lineup and place an order, please visit <http://www.PaperWithBorders.com>.
