Glaucoma - Is It In Your Future?

For Your Eyes hosted by Ophthalmologist Dr. Andrew Shatz, M.D. this Monday Evening May 12th from 5 to 6 PM EDT will be discussing glaucoma.

/24-7PressRelease/ - SANDY SPRINGS, GA, May 09, 2008 - Is glaucoma the blinding eye disease in your future? Join Dr. Andrew Shatz, M.D. Ophthalmologist, surgeon and eye expert as he discusses the disease, cause, effect and treatment. Dr. Shatz welcomes your call to Radio Sandy Springs or your email questions. If you, a family member, friend or business associate has been diagnosed with glaucoma this is a time to listen to www.radiosandysprings.com - America's Web Radio Station for the latest information on glaucoma.

We ask that you contact everyone you know to listen and learn the facts on glaucoma and how it may be in your future and why.

Dr. Shatz will follow the glaucoma inspired show the following week with a show with futuristic overtures with "the bionic eye" another must listen. Then at least two and perhaps three shows on cataracts and the intraocular lens. We, or at least most of us, face the future with the decision of what to do when we have cataracts, listen and learn from Dr. Shatz on America's Web Radio Station - www.radiosandysprings.com

Learn more about your health on www.radiosandysprings.com - America's Web Radio Station!
