**Morgellons Disease - Do You Have It?**

*What is Morgellons Disease, how does one get it and can it be treated, find out on [www.radiosandysprings.com](http://www.radiosandysprings.com) - America's Web Radio Station.*

**/24-7PressRelease/** - SANDY SPRINGS, GA, May 09, 2008 - What is Morgellons Disease? How does one get it? How long has it been around? What are the symptoms? How is it treated? And, much more will be discussed this Saturday May 12, 2008 on Radio Sandy Springs 1620 LPAM and [www.radiosandysprings.com](http://www.radiosandysprings.com) as Dr. Susan Kolb and Dr. Linda Rayner discuss in depth "Mogellons and Project-Opaline" written by Dr. Hildegard Staninger. If you are not aware of Morgellons Disease please tune in, download, tell everyone you know about this show and topic. It is this Saturday May 12, for 11 to 12 Noon, The Temple of Health only on Radio Sandy Springs. Morgellons Disease and the facts known WILL get your attention and a subject one must know about and research as well. The disease could change your life.

If you have the Morgellons or know someone that does are if you're interested in the what is out there that you may have and not even know it - yet - then listen Saturday. This is one of the most informative medical, western, eastern, holistic radio program on the air today - The Temple of Health.

All your family, friends, everyone to tune in Saturday!

Your health and keeping it by listening to [www.radiosandysprings.com](http://www.radiosandysprings.com) - America's Web Radio Station

Radio Sandy Springs
