Mission - Empire ISIS

The Synopsis

Empire ISIS is in Martial Arts Gym where she is training. In parallel to her singing, there will be two Muay Thai warriors that fight each other in the ring in a classic Thai fighting environment. In addition there will Capoera masters performing stunts.

After her training, Empire ISIS goes to a house party, where she is the star of the night. She performs her new song "Mission with a high intensive crowd response.

"In the gym, we are in high energetic environment, underground scenery while maintaining a warm positive feel." Says ISIS
