Community of land investors buying and selling land everyday in an exciting online auction format - Landbidz.com

At the easy-to-navigate, clean-design site, selling is simple utilizing easy-to-post 7-day online land auctions with no listing fees! Registration is also simple and members will find new discount land opportunities daily.

/24-7PressRelease/ - ZEPHYR COVE, NV, May 09, 2008 - Landbidz.com is a community of land investors buying and selling land everyday in an exciting online auction format. Although a new company, Landbidz.com is already 13,000 members strong, this membership includes some of the internet's largest online land liquidators! Since May 1st 2005, Landbidz.com sellers have sold thousands of properties. The site has received tens of thousands of bids in the same timeframe making top sellers very pleased with their results. "We are embracing the online land auction community by developing a meeting place where all the community can have access to all the current channels", said Landbidz.com founder and CEO Brian Quilty.

At the easy-to-navigate, clean-design site, selling is simple utilizing easy-to-post 7-day online land auctions with no listing fees! Registration is also simple and members will find new discount land opportunities daily.
