**Boracay Grand Vista Resort & Spa in Boracay Offers Lowest Rates with New Online Reservation System**

*Boracay Grand Vista Resort & Spa in Boracay enhanced its website by installing a reservation system that shows lowest rates available and issues instant confirmation online.*

**/24-7PressRelease/** - BORACAY, PHILIPPINES, May 09, 2008 - Boracay Grand Vista Resort & Spa in Boracay announces its newly-improved official website, <http://www.egrandvista.com>, where guests can place their reservations and receive instant confirmation after a nominal deposit payment.

The new reservation system is easy to use and provides ample information about the resort's room types and facilities. It also presents a 14-day calendar that allows guests to check the room availability for the duration of their stay. Moreover, the website promises the best rates possible, and gives instant confirmation once a deposit payment has been made online to secure the reservation.

Boracay Grand Vista Resort & Spa offers pleasure and privacy to those looking for a different Boracay experience. To know more about the resort's facilities, location, and other useful information, point your browser to their official website, <http://www.egrandvista.com>.

This new development in Boracay Grand Vista Resort & Spa's website was made possible by DirectWithHotels. The company makes life easier for accommodation providers by supplying an efficient online reservation system that attracts more guests. By giving guests access to helpful hotel information, better rates, and providing instant confirmation, DirectWithHotels helps improve the profitability of accommodation providers.
