**Stockbridge Consultants Guide NOW OFFERS CONTINUING EDUCATION CRUISES**

*Stockbridge Consultants has teamed up with major cruise lines and the University at Sea to offer professionals the opportunity to earn continuing education credits while cruising with family and friends.*

**/24-7PressRelease/** - LANSING, MI, May 10, 2008 - Stockbridge Consultants has teamed up with major cruise lines and the University at Sea to offer professionals the opportunity to earn continuing education credits while cruising with family and friends. We are happy to offer our clients something new and exciting in this innovative way to mix business and pleasure without shortchanging either of those important aspects of life.

An entirely new approach to value-added cruising, the University at Sea is not limited to continuing education programs but considers the course needs of the professional, but also the entertainment needs of the family. Activities for the spouse and children are complimentary.

The excellent amenities of the cruise ships - comfortable and well-appointed meeting rooms, state of the art audio-visual equipment, ample exhibit space - make them ideal venues for these functions, whether small groups or large conferences, especially after factoring in luxurious accommodations, gourmet meals, beautiful scenery that changes daily and fascinating ports of call. Visit Stockbridge Consultants Ltd at [www.stockbridgeconsultantgroup.com](http://www.stockbridgeconsultantgroup.com) for a complete schedule of educational cruise offerings throughout the year.

Stockbridge Consultants Travel Guide pioneered the online travel space and continues to be the most popular travel service on the Web, giving consumers access to hundreds of airlines, thousands of hotels and cruise, last-minute and vacations packages, and best-in-class car rental companies, representatives staffed to provide 24-hour assistance.
