**Start a Business in 2008 with Free Help from Resource Nation's "Start Me Up" Program!**

*Resource Nation has developed and launched a new program for entrepreneurs called "Start Me Up" (SMU). If you're frustrated with the start up process of your business, then the SMU program is for you.*

/24-7PressRelease/ - SOLANA BEACH, CA, May 10, 2008 - If you've been scouring the Internet looking for help starting your business, then look no further. The free Start Me Up (SMU) program is designed to help walk you through all of the necessary steps in order to get your business launched as quickly and efficiently as possible.

Most budding entrepreneurs know their trade very well, but they may not necessarily know everything that goes along with starting or owning a business. This can lead to a frustrating chain of events that causes the entrepreneur to quit the start-up process. SMU is designed to help walk you through the start-up process by breaking it into a manageable action plan, so that you can concentrate on the right actions at the right time. No more wasted time worrying that you're missing something. This program makes the start-up process easy, so that you can focus on growing your business.

If you are frustrated and overwhelmed with the business start-up process, then the SMU program is for you. SMU will match you with a dedicated consultant who will walk you through the start-up process and create a customized weekly action plan for you and your business. Based on your customized action plan, you will receive weekly articles, tutorials, and advice tailored to your business. Need an introduction or help selecting a trusted vendor? SMU consultants will introduce you to the people and companies who can help make your business successful. It doesn't matter if you are in the idea stage or if you're already up and running, SMU can help get you to the next level.

This is a free program aimed at helping entrepreneurs launch their businesses. There are no more excuses, launch your business today and get help with the Start Me Up program. Visit the SMU page:
