Feel Good Thoughts (First edition) is now available to the general public. Autographed copies will be available for a limited time only.

/24-7PressRelease/ - ESCONDIDO, CA, May 10, 2008 - Feel Good Thoughts by Gladys Jimenez has just been release to the general public. This is a little book with the intent to make you feel good about yourself and your life.

Feel Good Thoughts is a collection of simple messages that will inspire you, encourage you and make you feel good.

The messages are simple but powerful. Messages like:

"There are good and bad times, but you will always be fine."

"You have many things to be thankful for...Lucky you!"

"Nurture yourself...Call yourself Sweetie."

This book will definitely touch your heart. Author's main message is to help others to love themselves unconditionally.

The hardcover book comes with a free standing easel, which allows you to place it on your night stand, desk or bookshelf. Price is \$11.99 per book and it is the perfect gift.
