Win a Sony VAIO with TheCelebrityCafe.com

TheCelebrityCafe offers a chance to win a free Sony VAIO from Intel

/24-7PressRelease/ - May 13, 2008 - TheCelebrityCafe.com is offering one lucky person a free Sony VAIO from Intel. TheCelebrityCafe.com, the Internet's longest-running entertainment magazine now in its 12th year, is hosting a sweepstake in which one person will win the hottest laptop computer on the market.

This blue Sony VAIO CR series laptop features a stunning 14.1" widescreen LCD with XBRITE-ECO(tm) LCD technology providing vivid, crystal-clear images. Powered by Intel's incredible new hafnium-based processor technology, this computer is faster and more efficient than ever. The next-generation Intel(r) Centrino(r) Duo Processor technology turns up the speed on multi-tasking while curbing energy consumption. So now you can surf the web, upload photos and listen to music simultaneously without worry about the computer's performance.

One grand prize winner will be randomly chosen by TheCelebrityCafe.com. The sweepstakes is open to entrants anywhere in the United States. Participants may enter the contest once daily. The final day of entry is July 31, 2008. No cash prize will be given in lieu of the award. Enter now and every day until the final day at http://www.thecelebritycafe.com/contests/sony_vaio.html.
