BAD PATHS by Justin Behrens - Exorcising Family Demons

Greg Dameron returns home for his mother's funeral only to find his estranged family in shambles. How can he ever exorcise the sinister demons and restore his family name? And would he ever want to after uncovering the dark secrets behind all this?

/24-7PressRelease/ - May 14, 2008 - Debut novelist Justin Behrens didn't pick the horror genre - it picked him. "I love the horror genre. I love to read it and I love to write it. As strange as it may sound, there's something special about fear," he told <http://AllTheseBooks.com>. "I'm currently writing another horror novel. It seems to be what I'm supposed to do. I don't see myself stopping anytime soon." It is this love for writing that makes Bad Paths such a gripping read.

"With Bad Paths Justin Behrens has written an entertaining novel that breaks the mold of the traditional supernatural thriller and reads like the writing of a veteran novelist," says Mary Menzel of <http://BookHuntersBlog.com>.

Bad Paths adds a paranormal twist to its horror plot, keeping the reader literally in the dark as to which way the mystery will unfold, while asking the reader "How far would you go to protect your family's honor?"
Do you dare face the demons hiding in your family?
