Atlanta Hotel Ranked by Expedia

Renaissance Concourse Hotel Has Again Ranked Among the Top 1 Percent of World Hotels by Expedia

/24-7PressRelease/ - ATLANTA, GA, May 14, 2008 - The Renaissance Concourse [Hotel near the Atlanta, Georgia airport](#) in south Atlanta is again ranked among the top 1 percent of all hotels and resorts around the world, according to the world's leading online travel company, Expedia. The hotel, situated within a mile of Hartsfield-Jackson International Airport, has just been re-named to the exclusive Expedia Insiders' Select list for a second year running.

According to Expedia, the company developed the Insiders' Select list by ranking hotels around the world based on traveler opinions, expert input and value. Over 300,000 reviews were provided by Expedia customers as part of the selection process. Less than 1 percent of all hotels offered on Expedia receive this designation. "The designation identifies hotels that consistently deliver excellent service, great overall experiences and notable value. Expedia Insiders' Select leverages our experience and our customers' insights to deliver the most informative and compelling list of top hotels worldwide to help Expedia travelers book the perfect trip."

The award-winning Renaissance Concourse [ATL hotel](#) offers business and leisure travelers a distinctive experience, including a stylish and sophisticated ambiance, savvy service and imaginative dining, all in an inviting environment. In addition to a recently renewed AAA 4-Diamond appointment the hotel was also named a Travelers' Choice award winner by TripAdvisor.com, a worldwide Internet travel site. It is the only Atlanta hotel to earn a spot in the prestigious Best in Top 25 U.S. Cities category.

"We are pleased and proud that the Concourse Hotel has received this level of recognition from Expedia, our guests and the experts in the field," said hotel General Manager Dave Williamson. "I am particularly proud of our top-notch staff, who focus every day on providing our guests with the best in customer service."

As part of its ongoing efforts to improve upon itself, the Renaissance Concourse Hotel has recently completed an extensive multi-million dollar renovation that includes upgrades to its guest rooms and [hotel suites near the Atlanta airport](#), fitness center, meeting space, lobby and award-winning Concorde Grill & Bar restaurant.

Uncommon in most airport hotels, the Concourse Hotel is constructed with advanced acoustical design that minimizes noise, yet still allows for enormous windows with magnificent views. Each guest room opens onto the beautiful 11-story atrium, creating a center of activity and a welcoming sight for arriving attendees.
