**Asonor Marketing Corporation Announces New Product Pricing For Asonor Stop Snoring Nasal Spray In The U.S.**

*Asonor Marketing Corporation of Venice, Florida today announced that the Company will price Asonor Scandinavian Stop Snoring nasal spray at a 50% discount to the suggested retail price for the United States Market.*

/24-7PressRelease/ - VENICE, FL, May 14, 2008 - The decision by Asonor Marketing Corporation to make the Asonor Scandinavian Stop Snoring nasal spray available at a deep discount, was prompted by the deepening economic woes of the American consuming public.

David Olund, President of Asonor Marketing Corporation, the U.S. Distributor of 'Asonor' for Tanner Medico A/S of Horsholm, Denmark said-'We hope that by making this important product more affordable, that many Americans will be able to benefit from using the product and getting a better night's sleep as a result of eliminating or greatly reducing their snoring.'

Snoring leads to a lack of sleep, stress, and contributes to many potential negative health problems. Snoring also contributes to relational problems between the snoring and non-snoring sleep partners. With people today working longer hours, and under heightened financial stress, getting a good night's sleep has never been more important. With 40% or more American's snoring, there is a great need for an effective product like Asonor .

The new and special price for Asonor has been reduced to \$17.49 plus shipping per bottle, which is normally a one month's supply and is a 50% reduction from the MSRP of \$34.99. The stop snoring product is offered exclusively at the Company's website, [www.asonormarketing.com](http://www.asonormarketing.com) which is partnered with Webstore by Amazon so consumers can buy with confidence. Free Super Saver Shipping is provided with the purchase of 2 or more bottles.

Asonor , is now available in many major markets worldwide, and has seen a phenomenal growth in sales and customer satisfaction. For additional market and corporate information, we can be contacted at [info@asonormarketing.com](mailto:info@asonormarketing.com).

Note: Asonor is not a treatment or cure for any disease or a treatment for Sleep Apnea, a serious medical condition.
