/24-7PressRelease/ - NORWICH, CT, May 15, 2008 - Charles Toyota, one of the leading dealers for new and used Toyota vehicles in Norwich, Connecticut (CT), announces special financing offer featuring 0% APR for 36 months on 2009 Toyota Corolla models in stock.

The all-new, 10th generation 2009 Corolla continues to offer the quality and value for which the brand has long been known. For nearly four decades, Corolla has been synonymous with Toyota quality, style and value, earning a distinction as one of the most trusted cars in America. Over that span more than 30 million Corollas have been sold worldwide, making it one of the best-selling cars of all time.

The new Corolla remains true to the brand's role as a subcompact sedan, with dimensions similar to the model it replaces. But it offers an all-new body with a lean, muscular shape, and it delivers increased interior and luggage room, more power, more economical engines and an all-new chassis and suspension.

The 2009 Corolla is offered with a pair of efficient new engines, each of which can be combined with a five-speed manual transmission. The four-speed automatic transmission is combined with the 1.8-liter engine and the five-speed automatic is combined with the 2.4-liter engine.

The all-new Corolla is equipped with an array of standard performance and convenience features. Among the many features on the Standard grade are P195/65 R15 tires, a heavy duty rear window defogger, AM/FM/CD audio with four speakers that is also satellite capable, air conditioning with air filter, driver and front passenger airbags, front seat-mounted side airbags and side curtain airbags, intermittent windshield wipers, two 12-volt power outlets, daytime running lights, black manual folding power mirrors, power steering, tilt and telescopic steering wheel, 60/40 split folding rear seats, and much more.

For details contact the dealership or log on to <http://www.charlestoyota.com>
