Michigan Manufacturer of Gages Approved By Industrial Leaders

Industrial Leaders, an industrial supply site focusing on 'Who's Who In The American Industrial Marketplace has approved a Redford, Michigan-based manufacturer of fixture gages, plug and variable gages for its Web site

/24-7PressRelease/ - REDFORD, MI, May 15, 2008 - IndustrialLeaders.com, the American Industrial Marketplace and founder of US-based Industrial Leaders group, announced today the addition of a Redford, Michigan manufacturer of industrial gages for its online industrial supply directory at <http://www.IndustrialLeaders.com>

According to company spokesperson Edward Stacy, the site includes offerings for a wide range of gages such as fixture, plug, variable gages, functional gauge, pin, thread, triclock and taperlock and hand gages, industrial pressure, thermometers, boiler gages, angular blocks, liquid and dry gauges and other gaging, monitoring and measuring equipment and tools.

Engineers, manufacturers and MRO professionals in need of gages can post and explore offerings on the company's Industrial Classifieds site at <http://www.IndustrialSAVER.com/classifieds/>. Stacy said the site allows suppliers to post product photographs and links to demonstration videos and other information about their industrial products. "Whether you need a gage for a boiler, industrial oven, process equipment or any other application, you'll find plenty of offerings on Industrial Leaders," said Stacy.

IndustrialLeaders.com previously doubled the number of offerings on its site from manufacturers, designers and suppliers of fixture gages, variable gages, functional and fixed gages, inspection and gaging accessories as well as ring, plug, thread, snap electronic, mechanical, data collection, masters and setting gages.

Industrial Leaders also includes a Gage and Sensors Directory providing access to suppliers of various sensing, monitoring and measuring equipment, devices and instrumentation at <http://www.IndustrialLeaders.com/listings/sensors.html>

IndustrialLeaders.com, the American Industrial Marketplace owns and operates a number of Industrial Directories, Industrial Auctions and Blogs for the manufacturing, construction and engineering communities. Industrial Leaders is utilized by companies looking to buy/sell industrial supplies, equipment, machinery as well as heavy construction equipment in 54 countries with emphasis on North America.
