California Industrial Computer Manufacturer Featured On ForeignTRADEX

The international industrial trade site, ForeignTRADEX will feature a Fremont, California-based manufacturer of industrial computers in its industrial supply directory

/24-7PressRelease/ - FREMONT, CA, May 15, 2008 - ForeignTRADEX, formerly Foreign Trade Exchange, a global industrial trade portal and division of the Industrial Leaders Group, announced today it will begin to promote an industrial computer manufacturer based in Fremont, California to its international audience of engineers and other industrial buyers at <http://www.ForeignTradeExchange.com>.

According to Roland Caponi, spokesperson for ForeignTRADEX, the site includes offerings for a broad selection of industrial PCs and computing equipment such as ruggedized notebooks and laptops, industrial computer systems, mount racks, flat panel industrial computers, ERP software, computer enclosures and cabinets, power supply, custom panels, single board industrial PCs, workstations, monitors, cases, industrial computer keyboards and allied computing equipment.

Caponi said companies seeking to sell or purchase industrial computers in California as well as in national and international markets are able to post and explore offers on the company's on-line industrial marketplace site at <http://www.IndustrialSAVER.com/classifieds/>.

ForeignTRADEX recently included offerings from manufacturers of industrial computer systems, mini ITX computers and embedded computer. Including offers from US and European companies specializing in industrial PC's providing ultra compact, highly integrated, power efficient, modular, flexible and secure benefits. Applications include VoIP, robotics, CAM/CAD, plant security, industrial controls, information storage, network monitoring, Kiosks, POS systems and other industrial computing solutions.

ForeignTRADEX also includes an Industrial Computer Directory providing access to manufacturers, exporters, distributors and other suppliers of industrial PCs, hardware and software products at <http://www.ForeignTradeExchange.com/suppliers/computers.html>

About ForeignTRADEX

ForeignTRADEX.com is an industrial trade directory connecting manufacturers, distributors, exporters, importers and end-users of industrial products with emphasis on the UK and EU markets as well as Australia and New Zealand at <http://www.ForeignTradeExchange.com>
