**Colorado Manufacturer of Plastic Tubing and Extrusions Featured On IndustrialCOOP**

*IndustrialCOOP.com, the co-op industrial search engine for engineers and B2B buyers has approved a Denver-Colorado manufacturer of plastic tubing, extrusions and plastic profiles for its directory of leading manufacturers*

**/24-7PressRelease/** - DENVER, CO, May 15, 2008 - The industrial search engine filtered for buyers of industrial supplies, equipment and machinery IndustrialCOOP, a division of the Industrial Leaders Group, announced today the inclusion of a Denver, Colorado-based plastics manufacturer in its industrial supply directory at <http://www.IndustrialCOOP.com/>.

According to Ted McCarty, spokesman for the company, the site includes offerings for a wide selection of plastic tube and tubing, plastic sheets, pellets and extrusions, plastic profiles as well as other plastic products such as PVC pipe, hose, rods, plastic caps, bars, close tolerance plastic tubing, gears, fasteners, custom made plastic parts, precision components and other plastic products for various industrial applications.

McCarty said companies looking to buy or sell plastic tubing, profiles and extrusions in Colorado and nationwide are able to post and explore offerings for various kinds of custom and standard plastic products and materials on IndustrialCOOP's industrial supply classifieds site at <http://www.IndustrialSAVER.com/classifieds/>.

IndustrialCOOP recently included offerings from international manufacturers offering quality plastic extrusions with on time delivery guarantees. Including companies that extrude plastic tubing in various stock sizes, custom sizes, colors and in either straight or coiled lengths. "You'll find manufacturers specializing in extruding plastic profiles in many shapes from simple flat strips to complex hollow profiles on IndustrialCOOP," says McCarty.

IndustrialCOOP also publishes a plastics and rubber directory providing access to international manufacturers and distributors of rubber and plastic tubing, extrusions and profiles [http://www.WorldwideIndustrialMarketplace.com/directory/plastics\\_rubber.html](http://www.WorldwideIndustrialMarketplace.com/directory/plastics_rubber.html)
