Rachel Carney Inducted into Cambridge Who's Who for Excellence in Business and Technology Management

Ms. Carney developed an expertise in overseeing information technology, supervising system and human factor analysis, work flow improvement, object-oriented software development, enterprise application integration and component-based system architecture management.

/Cambridge Who's Who/ - Hendersonville, TN, May 15, 2008, Rachel Carney, Chief Operating Officer of MPC Business Solutions, has been recognized by [Cambridge Who's Who](#) for showing dedication, leadership and excellence in all aspects of business management.

Ms. Carney has an impressive 14-year background in business and has served as the Chief Operating Officer of MPC Business Solutions for the past four years. During this time she has developed an expertise in overseeing information technology, supervising system and human factor analysis, work flow improvement, object-oriented software development, enterprise application integration and component-based system architecture management. On a daily basis, Ms. Carney is responsible for business process engineering and re-engineering, product evaluations, project portfolio management, solving business technology problems, requirements gathering, documentation, user-experience modeling, supply chain process and management, transportation and logistics process and management skills. MPC Business Solutions is a consulting firm that provides information technology consulting services including software and hardware implementation.

Ms. Carney received her MBA from the University of South Carolina. Additionally, she holds a Project Management Institute certification, several Microsoft Professional Certifications, and is affiliated with the Belmont University Process Improvement Program and the Stanford University Project Management Program. She attributes her success to her work ethic, customer service skills, positive attitude, self-motivation and being goal-oriented.
