Rhonda Weisberg uses IDX Broker to Pave the Way for a Smooth RE Transaction

The IDX Broker search tool application helps Realtors to meet their customer's needs.

/24-7PressRelease/ - EUGENE, OR, May 15, 2008 - IDX, Inc. is pleased to welcome Rhonda Weisberg from the Weisberg Group in Palm Beach Gardens, Florida to the list of users integrating IDX Broker into their websites. This process will open up thousands of real estate listings from Weisberg's local Multiple Listing Service (MLS) the Palm Beach Regional (RMLS-FL) to interested consumers who visit her site.

The Weisberg Group believes in offering their clients a smooth transaction, whether selling or buying. Part of assuring that process is the addition of the IDX Broker search tools. They provide a wide array of customizable options that will appeal to a diverse population of consumers. Rhonda Weisberg's website offers calculators, personalized logins, financing information, a dream home locator and five different search forms. These include a basic search, an advanced search (with everything from price to flooring), an interactive map search, an address search and a listing search for those who know the MLS number.

Rhonda Weisberg can further customize her site by going into the IDX Broker provided administrative page. From there she can change how her search tools look, add interactive elements such as slide shows, add or subtract search criteria and even track her traffic with a detailed statistics page.
