**New Mortgage loans service is launched for residential and commercial mortgages in UK**

*A new mortgage loan website is launched in UK that offers easy to use online mortgage and loans application and advice for commercial as well as residential loans.*

**/24-7PressRelease/** - LONDON, UK, June 19, 2008 - Ads Property and Finance, Mortgage loan broker in UK have launched a new mortgage loan website <http://adsmortgages-loans.co.uk> to offer mortgage and loan advice to residential and commercial property buyers. The new Mortgage website offers an easy to use mortgage loan application feature that customers can use to apply for any type of residential or commercial mortgage online including first time buyer mortgages, buy to let mortgages and commercial mortgages.

Ads Property and Finance are a financial services authority regulated mortgage broker that have been successfully providing mortgage advisory service in UK since 1987. The new mortgage loan website has been launched to reduce the paperwork required for mortgage and loan applications and to reduce the loan approval time. Customers are able to apply for mortgages and loans online and await decision. The mortgage loan website also offers a range of carefully selected resources and tools such as mortgage calculators and mortgage finance news feeds that provide the latest mortgage and finance information to customers. The website offers up to date news covering the mortgage and loan industry in UK which is useful for property investors as well as first time buyers.

The Mortgage loan website is powered by the easy to use, powerful mortgage website software developed by <http://www.kronikmedia.co.uk>, the award winning website Design Company in UK hat specialises in web design and software for Mortgage brokers and Estate agents.
