Groovejetmail Redesigns Website-Bulk Email Marketing Gets More Effective and Efficient

Groovejetmail has plans to move forward with continuous improvements to their overall services and offer customers the best pricing for effective bulk email marketing campaigns.

/24-7PressRelease/ - BOSTON, MA, June 19, 2008 -- Groovejetmail has been servicing the Human Resources, Staffing/Recruiting, and Information Technologies and Healthcare industries for many years, providing an effective marketing platform to reach a targeted database of contacts for customers in those verticals.

Under new management since March, the Groovejetmail services have made many improvements and now have a much stronger and effective infrastructure supporting their client base. Recently a newly designed user friendly website came online including a shopping cart to support client's ongoing needs for their direct marketing efforts via bulk email. The new site helps busy executives get what they need quickly, enabling the Groovejetmail staff to respond immediately to their requests.

GrooveJetMail has accumulated huge permission-based target audiences of Human Resources and Recruiting/Staffing professionals over the years and members are double OPT-IN who are highly motivated and very receptive to new ideas, products and services that will help them achieve success.

Groovejetmail has plans to move forward with continuous improvements to their overall services and offer customers the best pricing for effective bulk email marketing campaigns.

Visit the new Groovejetmail website for more information and available packages for your email marketing needs.
