DTI purchases Yellow Circle Solutions, a full service design agency.

In June 2007 DTI strategically purchased YCS, a full service design agency

/24-7PressRelease/ - Austin, TX, June 26, 2008 - In June 2007 DTI strategically purchased YCS, a full service design agency focusing on web site design. DTI accomplished their goal and marketing strategy by acquiring YCS to compliment their existing software and development application skill sets. Ultimately, DTI now delivers a complete solution for web development projects.

About DTI Ventures Inc
