**Manny "Pacman" Pacquiao Ringtones now in the US**

*In time for one of Manny Pacquiao's biggest title matches, Feedtext Inc. and GMA New Media, Inc. makes the official Pacman ringtones available to all supporters across the United States.*

**/24-7PressRelease/** - SAN FRANCISCO, CA, June 29, 2008 -- Feedtext Inc., a US- based web and mobile entertainment company involved in creating and developing mobile marketing platforms such as mobile entertainment storefronts, and GMA New Media Inc, a subsidiary of the biggest television network company in the Philippines, joined together to launch a mobile marketing campaign to show support to the Philippines' "Pambansang Kamao", Manny Pacquiao.

Emmanuel D. Pacquiao, more popularly known as "Pacman", is a professional boxer born and raised in the Philippines. He became one of the ultimate fighters of the boxing profession by being the first Asian Boxer to win three big world titles in three different weight boxing divisions- WBC and Ring Magazine Super Featherweight Champion and the former world champion at WBC Flyweight and IBF Super Bantamweight divisions.

Because of his remarkable boxing record of 46 wins, 35 of which are by Knock Out, boxing experts and sports analysts all over the world named him "The Destroyer", "The Mexicutioner", and the "People's Champ". It also earned him tons of endorsements from big companies such as Nike and No Fear.

His unbelievable southpaw moves will be put into test again. He is scheduled to fight the Mexican American boxer, David Diaz for the WBC Lightweight title on June 28, 2008 at Las Vegas.

The GMA NMI and Feedtext project allows all Manny Pacquiao fans to download their hero's official mobile ringtone, "Pambansang Kamao".

Pacman's "Pambansang Kamao" real tone ringtone is available to all AT&T, T-Mobile, CellOne/Dobson mobile subscribers in North America via [www.ringtonedeck.com](http://www.ringtonedeck.com).

About Feedtext Inc.

Feedtext Inc. is a web and mobile entertainment company that develops consumer and business applications for media companies and wireless carriers in North America. The company also offers other services such as chat, community applications, interactive TV application and mobile entertainment storefronts.

About GMA New Media Inc.

GMA New Media, Inc. (GMA-NMI) is the digital media arm of GMA Network, Inc. Since its inception in 2000, it has launched category-breaking projects in multiple platforms, including mobile, Internet, and digital TV. It owns the leading celebrity mobile phone portal in the Philippines called Fanatxt, and powers all the SMS-TV campaigns of GMA. It was the first to introduce interactive chat and gaming in Philippine television. It has a major stake in some of the Philippines' most successful online properties such as GMA News.tv and Pep.ph. On the broadcast side, it produces breakthrough real-time special effects for GMA. Anticipating the changing media landscape on a global scale, NMI is venturing into digital TV through its Internet TV and Internet Protocol TV (IPTV) offerings, which will allow global audiences not only to access GMA content but also to customize it to their liking. For more information, go to [www.gmanmi.com](http://www.gmanmi.com).
