First-Ever Website Produced for 2008 CATIE Award Winner

Creative Core Design has built and produced the first-ever Website for Beyond Events, winner of the 2008 Catered Arts Through Innovation and Excellence (CATIE) Award. This honor is presented by the International Caterers Association.

/24-7PressRelease/ - SAN FRANCISCO, CA, July 02, 2008 - Creative Core Design has built and produced the first-ever Website for Beyond Events, winner of the 2008 Catered Arts Through Innovation and Excellence (CATIE) Award. This honor is presented by the International Caterers Association.

The Website not only showcases a creative slideshow of Beyond Events' work, it also contains testimonials from satisfied clients as well as sample menu information. Inquiries for functions and events have quadrupled since the launch of the site.

Creative Core Design, an award-winning design firm, was founded in 2007 as an experienced, professional and socially conscious organization.

The design team has over 20 years' experience in design and marketing practice and has earned a reputation as a reliable and effective force in the industry. With an important social mission, the design collaborative works with and employs design professionals affected with chronic health problems, such as HIV.
