European Marketing and Foreign Language Portals Created by Edelsbacher Design Group

Edelsbacher Design Group, (EDG), a Sarasota Web Design agency, with a division located in Austria, knows European marketing and can introduce your website to the global marketplace.

/24-7PressRelease/ - SARASOTA, FL, July 02, 2008 - Edelsbacher Design Group, (EDG), a Sarasota Web Design agency, with a division located in Austria, knows European marketing and can introduce your website to the global marketplace.

We can create your sales and marketing material for the foreign market in the way that Europeans like to see it. This can include foreign language print design, international web site portals, and many other ways of reaching the international market. With our international marketing connections and contacts you will gain international exposure for your products and services.

"Foreign Language Portals offer you a new and exciting way to take your business global," said Guenther Edelsbacher, President of Edelsbacher Design Group and EDG Europe. "I've watched our foreign language portals launch American businesses beyond their wildest dreams."

EDG knows the International Search Engines and can create an International Advertising and Marketing plan for your web presence. Your Foreign Language Portal Websites will link directly to your main website. Foreign Marketing Material, including brochures and Ads for International audiences is no problem for EDG.
