Online Trade Fair - Sewing & Embroidery Machinery

Sewing and Embroidery Machinery Online Expo 2008 engaging Online Exhibition on such a big-scale industry-specific platform for Machinery Manufacturers, Machinery Traders to focus on Textile-Apparel Value Chain, specifically the vast Apparel and Leather value sectors by Fibre2fashion.com

/24-7PressRelease/ - AHMEDABAD, INDIA, July 04, 2008 - The Sewing & Embroidery Machinery (SEM) Expo' 08 went online yesterday - July 1, 2008. We wonder where all the time goes. The last press note on the event updated about the preparatory status at fibre2fashion's end for the expo; and today the online exhibition has already gone one day older after birth (launch). Well, this is how it is. Our busy schedules sometimes bind us so tight that we ought to let slip such important events off our attention; those, which again are so vital to our business. The exhibitors haven't missed to take advantage anyway. They're there. Now it is time for the receivers i.e. the visitors to act. Visit today. Visit now.

In case if not the immediate now, then that's also ok. Breathe, Breathe. SEM Expo' 08 is here to stay for a total period of 45 days. Well, and for companies willing to join the exhibitors' bandwagon, the good news is that, we still have a few spaces to accommodate your interest. However, no such need to mention - "sooner the better" - quite apparent, indeed.

To give the visitors some brief, here are a few highlights of the online event:

- Best Beneficiaries - The machinery products on exhibition are of vital attention for the Apparel and Leather goods (shoes) manufacturing industry.
- Products on display - Industrial Sewing Machines for Apparel, Leather goods (Shoes) Sewing Machines, Embroidery Machines, Sewing Accessories (Oil used in Sewing Machines).
- Key Features - Live Chat with the exhibitors and video viewing of products inside individual booths.
- Exhibitors - With RichPeace as the lead sponsor of the event, 21 companies from across the globe are exhibiting their machineries.

And there's a lot more substance to it. For full view of the program, click here. So, visit and explore the entire range of machinery objects and find out which one can do the best to your manufacturing unit. It is noteworthy of the fact that the SEM Expo' 08 is the first ever of its kind online machinery trade fair to have been organized on such powerful medium as www.fibre2fashion.com.
