**Linda Faye Hych Inducted into Cambridge Who's Who  
Executive, Professional and Entrepreneurial Registry**

*Ms. Hych responsibilities include caring for patients with mental disabilities and finding living arrangements.*

**/Cambridge Who's Who/** - Federal Way, WA, July 16, 2008, Linda Faye Hych, Owner and Program Manager for Friends of Families, LLC, has been recognized by [Cambridge Who's Who](#) for showing dedication, leadership and excellence in all aspects of healthcare services.

With 22 years of experience in the healthcare industry, Ms. Hych has been in her current position at Friends of Families, LLC for five years. Her responsibilities include caring for patients with mental disabilities and finding living arrangements. Friends of Families, LLC is a home healthcare center that provides healthcare services for mentally disabled adults. Prior to her work with Friends of Families, Ms. Hych was part of the personal support staff for Volunteers of America/GROW, the management of which assisted her in starting her own organization, including obtaining a contract with the state of Washington.

Ms. Hych attributes her success to her determination and faith in God. She became involved in her profession because she loves to help people. The highlight of her career so far has been taking on the case of a mentally disabled man who had been considered beyond help. She feels that such people inspire her to do the work that she does. The biggest issue facing her profession, she feels, is the lack of discussion on the part of politicians and the government on financing care for mentally disabled adults.

A graduate of Wilson High School, Ms. Hych is a Certified Contractor with the Division of Developmental Disabilities for the state of Washington. An expert in managing housing services for the mentally disabled, Ms. Hych is available to speak to the media and may be reached at (206) 824-1857.
