**The Seiryu in Bali, Indonesia Now Issues Instant Confirmation Online with its New Guest-friendly Reservations System**

*A more efficient and guest-friendly reservations system on The Seiryu website issues instant confirmation online.*

**/24-7PressRelease/** - BALI, INDONESIA, July 17, 2008 - The Seiryu, romantic private villas in Seminyak, Kuta, makes online reservations completely fuss-free as it employs a pioneering guest-friendly reservations system on its website, [www.seiryuvillas.com](http://www.seiryuvillas.com).

To expedite the whole reservations process, the new system employs a 14-day calendar which displays real-time room availability and rates, giving guests the liberty to choose room types according to their preferred date of stay.

Once done with the selection, guests need to secure a reservation guarantee by paying a 10% deposit which will be deducted from the total room charge. This way, they are assured that the accommodation they booked is ready and available once they arrive at The Seiryu. Upon receipt of payment, guests are immediately notified through an automated e-mail.

The Seiryu is a 5-star hotel located in the exclusive Seminyak area in Bali, Indonesia. It has eight beautifully furnished private villas with individual swimming pools and other luxurious appointments. First-class amenities include private butler service.

Further information about the hotel's accommodation, facilities, rates, and location can be found on [www.seiryuvillas.com](http://www.seiryuvillas.com).

The Seiryu is able to carry out fast and secure online reservations with instant confirmations and payment guarantees through its partnership with DirectWithHotels. The company is a direct online reservations service provider that specializes in maximizing the performance of websites to help accommodation providers achieve increased occupancy, enhanced guest loyalty, and improved profitability.
