**SMOOTH JAZZ ARTIST, ANDERS HOLST, EMBARKS ON THE LOVE BLOOMS
SUMMER ROMANCE MUSIC TOUR**

Unheard of Music and Empire Entertainment production company are proud to present the Love Blooms Tour; a concert experience. Each exciting event features unique offerings and a live concert by Swedish, Smooth Jazz singer and songwriter Anders Holst.

/24-7PressRelease/ - NEW YORK, NY, July 17, 2008 - UOM, Unheard of Music record label and Empire Entertainment production company are proud to present the Love Blooms Tour; a concert experience. Love Blooms will travel to elegant communities throughout the Northeast, visiting Botanical Gardens, Arboretums and Museums, and bringing a day of pampering, music and fun to attendees. Each exciting event features unique offerings and a live concert by Swedish, Smooth Jazz singer and songwriter Anders Holst.

The Love Blooms tour supports the release of Anders Holst's highly anticipated CD, Romantika, and will feature a live performance of selected songs from the new album along with specialty foods, plentiful refreshments, luxury beauty products and more. Guests are invited to enjoy the many offerings of the full Love Blooms experience at no extra charge with standard venue admission.

Anders Holst is the leading voice in the Romance Music genre with fans such as Quincy Jones and Fred Bronson of Billboard Magazine. The full length CD, Romantika will be available online on September 2nd. Advance copies will be available on the days of performance only.

"A regal contender to become the new crowned prince of contemporary romantic music."
-Chuck Taylor, Billboard Magazine
