For the first time, five alternative health and treatment blogs are networked together via a Neekam directory and sitemap. Readers of the five blogs, which range from holistic seasonal; mood disorder to glyconutrients, can surf from blog to blog or visit the directory homepage. The directory homepage binds everything together while providing reams and reams of constantly updated content via RSS. Both the director homepage and group are blogs are built in an SEO manner and beefed up with lots of proprietary "tricks" to help ensure ranking.

Individuals interested in learning more about these subjects should consult the LaFazia Health Network:

Seasonal Mood Disorder & Sleeping Disorders
ADHD & Anxiety Disorder
Glyconutrients & Brain Nutrients

Mr. LaFazia says: "I had previously tried to work with another company but they were incapable of giving me what I wanted. Thankfully, Neekam stepped up and immediately understood what I was after and delivered exactly that."

The Neekam President says: "There are a lot of knuckleheads out there pretending to know something about SEO. Fortunately for Mr. LaFazia, when he contacted us with his problem, we were already beginning to move in this direction ourselves. We are able to listen to his and marry his wishes and needs with our vision and expertise."

Neekam is seeking to capitalize on the exploding trend of blogging by aggregating and uniting similar subject blogs. The LaFazia Health Network is the first such network in a vision to form a tight network of the most popular and similar blogs while aggregating all.

The Neekam President says: "Our goal is to bring order to chaos. We want to create hubs whose blogs can be grouped together under like subject. People want order, they demand order, they respond to order. Neekam will deliver that."

The LaFazia Health Network presents blogs pertaining to various alternative health needs containing valuable information to enhance your well being. Interested in advertising on the LaFazia Health Network? Please go here:
