Apple iPhone 3G Accessories at Blueunplugged.com

Apple is without any doubt the frontrunner in communication technology with Steve Jobs-the charismatic personality changing it all with his creative mind.Blueunplugged.com is proud to announce the launching of Apple iPhone 3G Accessories.

/24-7PressRelease/ - Formby, UK, July 19, 2008 - Formby at Diamond House, Blueunplugged.com is proud to announce the launching of Apple iPhone 3G Accessories. Apple iPhone 3G boasts of an excellent networking speed and is to work twice the speed than the first generation iPhone. The built-in GPS for enhanced and expanded locations is a look out feature indeed along with Microsoft Exchange ActiveSync and other hundreds of third party applications. With such a valuable gadget wonder it would be a futile purchase unless you have with you the most useful iPhone 3G Accessories.

Crystal Case for the Apple iPhone 3G

The new iPhone 3G has the same 3.5" touch screen display and to keep you away from all the worries blueunplugged has come up with the Crystal Case for the Apple iPhone 3G. This uniquely designed crystal case provides excellent protection of your valuable gadget and its exceptionally clear and hard design, a perfect fit for your mobile and precision machined accessibility ports. What's the best part of this amazing accessory is that it is available for 3.36 only.

In Car Holder for the Apple iPhone

The In Car Holder for the Apple iPhone 3G allows you to drive safely with a fully adjustable, suction mounted holder, made to fit the Apple iPhone allowing windscreen mounting. The flexible arm allows fine tuning of positioning and is available for 4.21 only.

invisibleSHIELD Full Body Protector for Apple iPhone 3G

Precision cut to fit the Apple iPhone 3G, the invisibleSHIELD has revolutionized screen protection. The invisibleSHIELD Full Body Protector for Apple iPhone 3G unique ensures excellent protection given the fact that the invisibleSHIELD is the leading brand in handheld device protection. The body protector is available for 11.02 and like all invisibleSHIELDS this too is backed by a lifetime guarantee. Yes, we'll replace it for free, for life.
