**ForeignTRADEX Brings Together U.S. and Germany Industrial Trading Partners**

*The US-European B2B Marketplace for industrial buyers and suppliers worldwide has launched a new specialized trade report published to connect U.S. and Germany-based exporters and importers of industrial products*

**/24-7PressRelease/** - WESTBORO, MA, July 19, 2008 - ForeignTRADEX, an international industrial supply trade portal and division of the Industrial Leaders Group (ILG), announced this morning the launch of its new industrial trade report intended to introduce American and German manufacturers and end-users of industrial goods at <http://www.foreigntradeexchange.com/countries/germany.html>. According to Hans Vornamen, spokesperson for the company's European division, the on-line report is designed to develop strategic partnerships between companies based in or serving Germany and the United States with focus on industrial suppliers and buyers in the two countries.

Vornamen said the report includes information and resources on German and American international trade Web sites, import export statistics, governmental agencies, foreign trade publications and other resources associated with doing business with Germany and the United States. Importers and exporters of industrial supplies, equipment and machinery interested in entering or expanding in the two markets are able to include their company on the site at <http://www.WorldwideIndustrialMarketplace.com/freelisting.html>

"The US-Germany Industrial Trade Report focuses primarily on major industrial markets in the two countries such as Berlin, Pennsylvania, Hamburg, Frankfurt, Ohio, Munich, Wisconsin, Texas, Michigan, Essen, Dusseldorf, Minnesota, Koln-Ruhr Area, New Jersey, Illinois, Dortmund and other cities and States across both countries," says Vornamen. He added, "The idea of the report is to help spark the economies of the two countries, even if its minimal, by developing trading partnerships between German and American companies and as a result create more jobs."

ForeignTRADEX recently revised its internationally recognized World Trade Forum at <http://www.ForeignTradeExchange.com/forum> by including an International Trade Directory that was formerly published as a separate Web site. According to Donald LaBelle, CEO of the company, the directory has been integrated into the World Trade Forum's database enabling importers and exporters worldwide to explore and utilize over 1,000 international trade portals, B2B marketplaces, global business forums, international trade associations and governmental agencies associated with world trade.
