Gamercize Expands US Network

Gamercize Announces Exergame Fitness as the first appointed reseller in the USA.

/24-7PressRelease/ - SOUTHAMPTON, UK, July 19, 2008 - [Gamercize](#) exergaming products add fitness motivation to all videogames played on PlayStation3, Xbox 360 and Nintendo Wii consoles.

Richard Coshott, Managing Director of Gamercize says, "I followed the progress of Exergame Fitness for some time I have been impressed by the success and positive attitudes of the company. I am very pleased to announce them as partners with Gamercize for the USA and as the first appointed resellers to our new network.

Tommy and his team have a very prestigious company that shares Gamercize core values of putting people first and producing results for their health and wellbeing. The partnership will benefit a great number of young people by delivering sustainable and enjoyable exercise from Gamercize products, provided with a superior experience."

Tommy Seilheimer CEO of Exergame Fitness adds, "Richard Coshott is one of the most driven professionals in the world of Exergaming that carries the same values we here at Exergame Fitness do, achieving results and having fun! The Gamercize products are very unique in operation, portable and durable. We are excited that Richard has appointed us as their first reseller in the USA. We are looking forward to doing many medical studies with Gamercize products in the future and giving our customers another successful well thought out product that kids love to play.

Exergame Fitness is the first appointed reseller of the Gamercize network, for more information about becoming part of the Gamercize USA network visit www.gamercizeusa.com
