Riverina Hotel in Sri Lanka Offers Guests New Reservation System Which Guarantees Instant Confirmation

Riverina Hotel in Beruwela, Sri Lanka launches its newly empowered website www.riverinahotel.com with a reservation system that offers instant confirmation.

/24-7PressRelease/ - BERUWELA, SRI LANKA, July 19, 2008 - Reserving a room is now easier and fuss-free thanks to Riverina Hotel's new reservation system which guarantees immediate confirmation. Guests can simply log on to the hotel's official website www.riverinahotel.com and book rooms in the convenience and safety of their homes.

This new addition to Riverina Hotel's customer service offerings is their way of ensuring that guests are serviced as early as the booking process. With a 14-day view of room availability shown in real time, the system also provides visitors the option to choose rooms according to their budget and preference. A minimal deposit payment of 10% guarantees that the room is available and ready upon the guest's arrival. This deposit is later on deducted from the total room cost.

After the transaction an email is sent which also serves as the guest's confirmation.

When vacation calls, answer it with a stay at Riverina Hotel in Sri Lanka. Located just right on the shores of Beruwela Beach, the hotel combines a perfect blend of Asian hospitality, a bevy of amenities, and cosy accommodation. Take a plunge in the swimming pool, try a relaxing massage, or take the kids to the games room. Riverina Hotel in Beruwela offers guests an array of exciting facilities to make every vacation a memorable one. For more details, visit www.riverinahotel.com

Riverina Hotel's latest service is made available through DirectWithHotels, an online reservations specialist that helps accommodation providers worldwide make the most of their official hotel websites for increased occupancy and profit.
