Huge Sidewalk advertising opportunity exposed for Caribana 2008 in Toronto, Ontario, Canada

/24-7PressRelease/ - TORONTO, CANADA, July 23, 2008 - Futuro Marketing has sidewalk stencil advertising spots left in Toronto during Caribana, the largest cultural event of its kind in North America.

Don't miss this opportunity to reach 1.2 million attendees participating in the events leading up to Caribana's grand finale, the Caribina Parade on August 3rd.

This chemical-free campaign involves power washing logos and messages onto sidewalks using only cold water as opposed to painted or chalk stencils. Futuro Marketing is the only company currently offerering this eco-conscious and Non Marking form of ambient advertising in the greater Toronto area.
