Energy Latest: Corporate Relocation - "Energy Exploration International".

Oil Exploration Company, Energy Exploration International" - Relocation of their corporate headquarters."

/24-7PressRelease/ - WATFORD, ENGLAND, September 14, 2008 - Energy Exploration International ('EEI') have recently moved their corporate headquarters <http://www.reuters.com/article/pressRelease/idUS148645+13-Jun-2008+MW20080613> The building housing their previous base was acquired by the largest sitting tenant who cited rapid growth and consolidation as key factors in their decision to purchase the complex.

"Energy Exploration International", following their move, invited its partners and investors to visit their new offices located at 6404 International Parkway, Suite 1550, Plano, Texas 75093. Managing Director, Curtis Best was quoted as saying, "This location was chosen for its scalability, proximity to many of our key installations and is also widely acknowledged as one of the most accommodative regions for business development in the US."

The company's telephone (214) 570-0280 and facsimile numbers (214) 570-0290 remain unchanged.

"Energy Exploration International" is an oil and gas exploration and development company with key ventures operating within the United States.

"Energy Exploration International" have been a long term resident on our watch list. The firm has suffered a number of setbacks but the clear direction and vision of its key management has enabled the firm to maintain traction in a tough sector.
