Sovereign Finance, a firm of Independent Financial Advisers, sponsored a collection of hanging baskets in the town at the West Hill Roundabout. The firm was active in promoting the competition. This year, East Grinstead was awarded Silver in the South and South East in Bloom Competition.

WEST SUSSEX, UK, October 04, 2008 **/24-7PressRelease/** -- Founding Partner, Trevor Tupholme, sponsored the collection of hanging baskets on behalf of Sovereign Finance. He also encourage the local traders to participate in the scheme both in East Grinstead and the nearby village of Forest Row. Both East Grinstead and Forest Row were awarded Silver in the South and South East in Bloom Competition. Next year, East Grinstead is going for Gold. The competition encourages both businesses and local homeowners to produce attractive floral displays in hanging baskets and gardens in focal areas around the town, as well as around their homes.

Partner Trevor Tupholme, who liaises with the town's Chamber of Commerce and the East Grinstead in Bloom Committee, said: "We want to encourage any company that would like to contribute to the beautiful displays and to advertise its business. We understand it's not too late for anyone wishing to sponsor the baskets, as we have, and of course they can reserve one for next year as well. The East Grinstead in Bloom Committee is asking all traders to reserve one basket or more for 2009 to aim for an even greater display."
