**Private Investigator Firms Announces Association and Expansion**

*Columbus Investigative Services LLC, announces the association of Michael Waldrop and future expansion.*

BRENTWOOD, TN, October 05, 2008 **/24-7PressRelease/** -- Columbus Investigative Services, LLC, announces the association of Michael Waldrop, a licensed private investigator in Tennessee with its private investigator firm in Nashville, Brentwood, Tennessee.

Waldrop, former CEO of Praetorian International Inc., has extensive domestic and international experience working with foreign governments and federal agencies. He will be available for assignments domestically and internationally.

Stan Marlar and Clifford Craighead, owners of Columbus Investigative Services, LLC, state that Waldrop brings a wealth of development and management experience to the firm. The private investigator firm is expanding its detective services further into the states of Alabama and Florida. Marlar and Craighead, both retired Nashville Metropolitan Police Detectives, have been in business for over ten years. The private investigator firm provides private investigator services to private citizens, criminal defense attorneys, divorce attorneys, corporations and insurance companies. Marlar states that the investigative firm has a combined sixty years of related investigative experience.
