Invitation for Small Businesses in Otsego County, NY

Introducing Xtended Office

OTSEGO COUNTRY, NY, October 05, 2008 **/24-7PressRelease/** -- The Telecenter in Oneonta is no more. However, Xtended Office has opened and is ready to fulfill the needs of area small businesses. Xtended Office is designed for local small business owners and entrepreneurs by providing convenient short and long-term access to necessary hardware and software at reasonable pricing. Use their space and technology to fully operate your business. SME's can take advantage of our efficient environment and use it as incubator space to grow the company, bring in new clientele and increase profits.

Central and Upstate New York are prime locations for entrepreneurs and small businesses. And minimizing expenses to increase the overall efficiency and productivity of an organization is an important aspect of running a business. Xtended Office can help reach these goals. Whether needs are periodic internet access for e-mailing and purchase orders, an affordable conference room, software training for your staff, or even payroll processing . . . Xtended Office has small businesses covered. The path to success has been mowed, raked and illuminated.

There are no more excuses for small business failure. Yes, the current economy is in a struggle. And yes, it is utterly critical to maintain or even cut expense. Xtended Office will help with that. It's the premiere local spot for small businesses to strap on their wings and fly towards their dreams.

Conveniently located at 395 County Highway 26 in Toddsville, Xtended Office is available for the local community including Cooperstown, Oneonta, and all of Otsego County. Off-street parking is plentiful. So, for more information please feel free to visit www.xtendedoffice.net. And questions may be submitted via e-mail to info@xtendedoffice.net.
