I Love This School Tour

JUST ANNOUNCED - The I Love This School Tour with Billy Craig is set to begin the first week of November in Cleveland, Ohio.

CHESTERFIELD, MI, October 08, 2008 **/24-7PressRelease/** -- Created and produced by All Things Media and imusiccd.com, this age appropriate high-energy musical journey is filled with songs, laughter and original characters like Super Sam the guitar man, School Ja Boy, the hip hop rapper man and ZIGGY, the classic rocker dude. This show will not only inspire and challenge kids with positive messages and fun, but it set to be the concert event of the year for elementary schools!

"We're so excited to roll this show out to kids all across America. It's designed to really open their eyes and ears to some great stuff and reinforce what they already know from school and their parents," says Brad Johnson spokesman for All Things Media.

"Billy's a fantastic guitarist and will be switching on and off from acoustic to electric guitars performing songs like I Love This School, Keep Your Hands to Yourself, Bullies Ain't Cool, Reading Rocks! and Teachers Rule the School. These kids will be engaged in a visual and sound smorgasbord that will have a huge impact."
