Amazing Prices On Unlocked Phones From Cellhut

One of the internet's leading sellers of unlocked cell phones is featured some great devices on sale.

NEW YORK, NY, October 08, 2008 **/24-7PressRelease/** -- This Fall season, Cellhut is proud to present savings on a vast selection of unlocked cell phones and accessories. In addition to the selection of daily deals that are featured on the website with most prices falling below \$200. Cellhut is always cutting prices on phones including some new models.

Cellhut has been selling unlocked cell phones and accessories since 1996. No other company comes close to delivering the diverse product selection and dedication to low prices that Cellhut holds itself to.

The LG MG280D is available for \$124.99 and is a fantastic slider phone. This phone has so many great features that it is a little daunting to list them all but the highlights include, touch-sensitive navigation, a bright display, GPRS, a VGA Camera, and a long-lasting battery.

The Samsung WEP301 is a stylish headset available for \$28.99. It features 80 hours of standby time and weighs only 8.7 grams. Using Bluetooth 2.0 technology, this is one headset that will keep the conversation going for a long time.

Cellhut is stocking the latest phone including the HTC Diamond and the Nokia N96. Both phones are miles ahead of current technology and are the next step in mobile devices.

Cellhut also features one of the best customer service departments of any online store, with knowledgeable representatives that have the phones on hand just in case any questions regarding them need to be answered.
