New Limo rentals in Orlando Florida will add to the success of A1 Limousine Of South Florida

A1 Limousine of South Florida announced plans to expand its signature Luxury Limousine Service into Central Florida providing transportation for Orlando, Tampa, Daytona, Saint Petersburg, Clearwater, and parts of South West FL.

ORLANDO, FL, October 09, 2008 **/24-7PressRelease/** -- A1 Limousine of South Florida announced plans to expand its signature Luxury Limousine Service into Central Florida providing transportation for Orlando, Tampa, Daytona, Saint Petersburg, Clearwater, and parts of South West FL. Their core business will be offering Stretch Hummer Limousines and Party Buses for weddings, proms, nights out and more.

This move has come as the next obvious step for the Transportation Service. According to Bill Tozer, the lead Chauffeur for A1, Bill states 'that more and more work is evolving from the Tampa and so it only seems natural to open an office close to these areas.' A1 Limousine has commented that the rising oil prices are making it harder and harder to be competitive in far away locations. The need to have vehicles close by is a necessity. The company also said that the skyrocketing oil prices has really hurt their bottom line, and that opening the new office will absorbed some of the inflation.

The company plans to install 5 Stretch Hummer Limousines in the Orlando as well as 3 Party Buses. A1's core business will be providing Charter Chauffeured Service for Weddings, Bachelor Parties, Bachelorette Parties, Sporting Events, Corporate Events, Airport Transfers, Limo Hire and Shuttle Service Proms, and Homecomings.

During the past 8 years A1 Limousine has been offering service primarily for Miami, Fort Lauderdale, and West Palm Beach Florida. The business first opened their doors out of a 300 foot guest house in Lake Worth Florida with nothing more than a phone, a Limo Bus and a dream. The company now is believed to be the largest Hummer and Limo Bus Provider in Florida, possibly the country. A1 has a fleet of 10 Party Buses ranging in size from 50 to 12 passengers. A1's unprecedented fleet of Hummer Limousines includes the colors White, Black, Yellow, Blue, and Zebra Print. With a total count of 17 Hummer Limousines in the company's arsenal, A1 Limousines is ready for Super Bowl 2009.
