"I am proud to bestow this symbol of excellence on Dr. Roland Carrillo," said George Hanzimanolis, President of the National Association of Mortgage Brokers. "By earning this recognition, Roland has demonstrated a strong commitment to achieving the highest ethical standards in the mortgage business." Hanzimanolis also added that "This program builds upon NAMB's past and ongoing efforts to protect consumers and to promote professionalism throughout our industry."

To earn the Lending Integrity Seal of Approval, a mortgage broker or loan officer must:
