TUSTIN, CA, October 11, 2008 **/24-7PressRelease/** -- Toy Tips and Parenting Hints magazine and SaigeNicoles.com baby boutique team up to introduce "I'm a Toy Tester" layette clothing just in time for the holiday shopping season. Customers will also receive a one year subscription to Toy Tips and Parenting Hints magazine for 75% off the newsstand price and a chance to receive a signed copy of Toy Tips: A Parent's Essential Guide to Smart Toy Choices (Wiley/Jossey Bass).

Toy Tips and Parenting Hints magazine's founder and publisher Marianne M. Szymanski knows a little something about children. After more than 18 years in the business of testing, reviewing and publishing independent findings to help parents and grandparents make wise selections of toys that will have a positive effect on the lives of little ones and now raising two children of her own, she has launched a line of layette clothing designed with the same attention to detail as her magazine.

"I'm a Toy Tester" layette clothing is a comfy playwear collection designed for function and fun with a joyful message on what childhood is all about. Now children age 3-24 months can wear 100% super soft cotton interlock playwear to stretch, reach, crawl and hop with a design showing off what they do best. The fabric is gentle on the skin, easy to wash and easy to wear making it a hot commodity for today's busy parents.

Wendy Navarro, owner of Saige Nicole's baby boutique ([www.SaigeNicoles.com](http://www.SaigeNicoles.com)) a one-stop shop for the best in baby and toddler clothing and accessories, nursery decor and more can easily identify with today's modern parents. "As the mother of 3 children I know what parents need and want - I'm right there with them experiencing the same things. We're busy and we expect quality from the things we buy for our children. We want our children to out grow their clothing before their clothing wears out on them. When I look for lines to carry in our boutique I take all of that into consideration and the cherry on top; childhood charm. I'm a strong believer in letting kids be kids; they grow-up fast enough and I think parents desire to cherish their children during these formidable years as long as they can. I do. That's why I was drawn to "I'm a Toy Tester" layette clothing - Marianne was able to incorporate all of these qualities beautifully."

Just in time for the holiday shopping season SaigeNicoles.com and Toy Tips and Parenting Hints magazine have teamed up to offer everyone who purchases an "I'm a Toy Tester" garment a one year subscription to this newsstand magazine for only \$5.00. That's 75% off the newsstand price! AND a chance to win a gift basket worth over \$100.00 in Toy Tips and I'm a Toy Tester products along with a signed copy of Marianne's book Toy Tips: A Parent's Essential Guide to Smart Toy Choices (Wiley/Jossey Bass).
