900 Bottles of "Great" Vitamins "Going to the Dogs" and Charity

Vitamin manufacturer BigNutrition is offering for auction 900 bottles of its great dane breed specific dog vitamins to benefit Adopt A Stray, a local no kill animal rescue organization in South Florida.

FT. LAUDERDALE, FL, October 11, 2008 **/24-7PressRelease/** -- BigNutrition, a natural products manufacturer that specializes in high quality vitamins for both humans and pets, is offering for auction 900 bottles of its breed specific dog vitamins.

This auction will be done in partnership with <http://www.great-dane-dog.com>, a website dedicated to the great dane dog breed. Great-Dane-Dog.com provides free information about the care and upkeep of the great dane. Visitors to the website can now learn about the care of their great dane as well as ask questions about the great dane breed in the great dane forum at <http://great-dane-dog.com/phpBB2/viewforum.php?f=1> where users can also purchase this unique breed specific great dane vitamin.

"This auction will benefit thousands of great dane's by providing proper nutrition to the pets of those who make a donation by purchasing a vitamin as well as help take care of abandoned and homeless pets," says Steve Paglianite, the president of BigNutrition.

The 900 bottles of Pawstive health great dane breed specific dog vitamins will be auctioned off in 3 bottle lots on ebay, the worlds largest online auction marketplace. Complete information about the event as well as purchases to benefit Adopt A Stray can be found at <http://www.bignutrition.com/Articles.asp?ID=134>.

Adopt A Stray is an all volunteer, non-profit 501(c)(3) no kill animal rescue organization. Since they do not have a shelter, they operate as a foster care program, dealing with the stray overpopulation by taking unwanted and unloved dogs and cats off the streets. Their foster homes provide temporary safe refuge until they are placed in a permanent loving home. Adopt A Stray relies exclusively on private donations to provide food and medical care, including the spay/neuter of adoptable pets and feral cats.
