Kitchen Remodeling Contractor Launches Website About Design and Remodeling For Virginia Homeowners

Enterprise Kitchens today announced the launch of www.enterprisekitchen.com as an information portal for Virginia home owners to find information about kitchen remodeling, and kitchen design tips.

CHANTILLY, VA, October 11, 2008 **/24-7PressRelease/** -- Enterprise Kitchens today announced the launch of www.enterprisekitchen.com as an information portal for Virginia home owners to find information about kitchen remodeling, and kitchen design tips. With articles being added almost every day the website is anticipated to quickly become Virginia's primary resource web site for kitchen remodeling.

Future plans include educational guides on renovating your home, professional advice from local experts, and a question and answer forum for Virginia homeowners.

The web site will be an invaluable resource for homeowners in finding accessible information to address their kitchen remodeling needs. Information will be efficiently categorized for easy navigation.

Andy Riley, president of Enterprise Kitchens stated, "Our goal is to be the best home and family resource center and information portal for assisting all Virginia homeowners with their kitchen remodeling needs. The depth of knowledge and resources at www.enterprisekitchen.com is simple, concise and offers every homeowner some information about their home."
