PDF Splitter & Merger 3.5 released to 1,800 customers and voted best product

PDF Splitter & Merger is a handy and user-friendly PDF tool making splitting and merging PDFs a breeze!

SPRING, TX, October 11, 2008 **/24-7PressRelease/** -- PDF Splitter & Merger, Division of VERTX SYSTEMS, LLC today announced the release of PDF Splitter & Merger 3.5.

PDF Splitter & Merger (www.PDFsplit.com) desktop utility has consistently been awarded 5 star rating by end users and software reviewing organizations since November, 2004. Download.com (CNET Networks, Inc.) reported over 30,382 downloads since the launch of the product. Internal reviews confirmed a 200% jump in year over year sales for the desktop utility.

The utility is designed with the end user in mind where within seconds one can open a pdf file and then decide to split up the pages based on page ranges or page numbers or sequences and set the location to save the new pdf file and done. The utility has no limits and it was test on documents with well over 10 million pages and the process worked without a glitch. Clearly, you will need a pc with a lot of memory to process such a job but the product performed the tasks with a glitch. Additionally, many customers need a solution to merge many pdf files into a single file. Sale presentation with proposals, group ticket information, creating books for print, etc all can be done within in seconds. Simply add the pdf files, order the files in the sequence one may want and press the merge pdf files and presto, you have a new pdf file with all of the files combined.

PDF Splitter & Merger (www.PDFsplit.com) has thousands of customer's worldwide using this product, along with FileOn Word to PDF (www.W2Pdf.com), creates a must for many with demands to leverage PDF documents. There are many utilities out on the market, however, due to the free 9 days unlimited trial ware and also an amazing 24x7 support team and the ability to customize these and other applications, PDF Splitter & Merger continue to grow in popularity. Additionally, we are featured on many websites as the best product and Google search continues to rank us as a top provider of this utility.
