NEW YORK, NY, October 11, 2008 **/24-7PressRelease/** -- Dog is definitely the best friend of human. Just go through the famous quotes for 'dog' and you can instantly realize the extreme human fondness for dog. The famous American writer 'Mark Twain' also could not stop himself and prominently quoted that heaven goes by favor. If it went by merit, you would stay out and your dog would go in. Even, on internet; one can easily feel obsession for dog. But, there are certain websites that are dealing dog obsession with extreme maturity and professional approach. Recently a leading online dog training service provider organized a press conference and answered journalists' questions regarding company's latest dog trainer service pack.

Spokesperson joined the conference with good homework and smartly answered all questions regarding dog behavior problems. Spokesperson didn't forget to mention its FAQ section on website which can be proved a perfect guide for all dog lovers. Questions like, cost of package, online paying option, pet's behavior, etc are intelligently answered in FAQ section. For dog's health related questions, spokesperson's advice was to personally consult veterinary doctor. Few natural dogs' behavior was also quoted by spokesperson during the conference. Few amongst those quotes are mentioned below:-

- 1) Often, dog tries to please us but we could not understand. Hence, advance dog trainer 2008 is being launched.
- 2) Dogs can be taught within 2-3 weeks.
- 3) Different dog breed needs different training approach.

Above mentioned points are just samples whichever were quoted during conference. It was also quoted that your dog must be treated in the family as if a normal family member. It is very playful and cheerful animal. All the time regardless of your situation and circumstances, it remains in your company and never leaves you alone or bored. After a good/effective training session, dog can entertain you with its tremendous intelligence, comic and mimic timing.

Dogs also can be proved a good guard. For instance, American Staffordshire terriers are amazingly gentle and good natured towards human but again, it needs training and advance dog trainer 2008 is very effective.

In concluding words, conference session sounds good. Now time to experience the promises of dogmirror.com.
